<b>Grantee Name:</b>	<b>Alaska Department of Labor and Workforce Development</b>
<b>Grantee City/State:</b>	Juneau, Alaska
<b>Grant Award Amount:</b>	\$800,000
<b>Initial Period of Performance:</b>	December 2009- May 2011
<b>Project Name:</b>	Alaska Labor Market Information Improvement Project
<b>Project Description:</b>	As proposed in this project, the Alaska Department of Labor and Workforce Development will quantify green jobs in Alaska, determine the supply and demand for green workers, identify green training programs and enhance Alaska’s online labor exchange to enable green-related job searches. Data collection strategies include the distribution of green job surveys to both experts and employers, development of green career lattices, and creation of green jobs skills profiles using the Skills Based Projections system. This project promises to deliver a wide array of LMI products to better target training education and investments leading to more informed public policies.
