

<b>Grant Program:</b>	Healthcare Sector and Other High Growth and Emerging Industries
<b>Grantee Name:</b>	<b>San Jose State University Research Foundation</b>
<b>Grantee City/State:</b>	San Jose, CA
<b>Grant Award Amount:</b>	\$5,000,000
<b>Initial Period of Performance:</b>	March 2010 to February 2013
<b>Project Name:</b>	California Statewide Biotechnology Clinical Laboratory Consortium Project
<b>Project Description:</b>	The grantee will recruit, train and place unemployed workers and dislocated biotech workers for employment in biotechnology. Participants will complete pre-clinical training with the project's educational partners, and will then be placed in clinical training at a State- approved employer partner laboratory. Training will prepare participants for licensure and certification as Medical Laboratory Technicians (MLT), Clinical Laboratory Specialists (CLS), Clinical Genetic Molecular Biologist Scientists (CGMBS), and Cytogeneticists. Participants will also receive workforce readiness skills training, résumé assistance, and opportunities for professional networking.
<b>Areas Served by Grant:</b>	San Francisco Bay Area (Alameda, Contra Costa, Marin, Napa, San Francisco, San Mateo, Santa Clara, Solano and Sonoma Counties), Los Angeles County, Orange County, and San Diego County, and Town of Colusa and City of Stockton, California.
<b>Targeted Industries:</b>	Health Care, Biotechnology
<b>Targeted Credentials:</b>	Medical Laboratory Technician (MLT) - Associates in Arts (AA)/ Associate of Applied Science (AAS); Cytogenetic Scientist – B.A./B.S.; Clinical Genetic Molecular Biologist Scientists (CGMBS) – B.A./B.S.; Clinical Laboratory Scientist (CLS) – B.A./B.S.
<b>Targeted Occupations:</b>	Clinical Genetic Molecular Diagnostic Scientists, Cytogeneticists, Generalist Clinical Laboratory Scientists, Medical Laboratory Technicians and Phlebotomists
<b>Targeted Populations:</b>	Unemployed individuals, dislocated workers, and veterans
<b>All Project partners:</b>	California State University, California State University Los Angeles (CSULA), California State University Dominguez Hills, California State Polytechnic College, Pomona (CPP), University of California, California Community College Systems, California Workforce Investment Boards, California Applied Biotechnology Center, East Bay Biotechnology Education Program, Biotechnology Human Resources Network, Labs are Vital – Abbott Laboratories, South San Francisco Unified School District and Adult School, De Anza College, College of the

	<p>Canyons, Saddleback College, Southwestern College, San Jose State University, CSUDH, CSULA and CPP, UCSD, San Francisco State University, Gene Security Network, Hunter Laboratories, St. Joseph’s Hospital, Valley Care Medical Center, St. Rose Hospital, San Mateo County Medical Center, Satellite Lab Service, Colusa Regional Medical Center, Work2Future (WIB), Alameda County (WIB), NOVA (WIB), Foothill (WIB), Verdugo (WIB), Hollywood Worksource, LA/Orange County Biotech Center, California Department of Veterans Affairs, Genzyme, Specialty Labs, Cedars Sinai Medical Center, UCLA Health Systems, Providence Holy Cross Medical Center, City of Hope, Fountain Valley Regional Hospital, San Diego Workforce Partnership, UCSD, University of California San Diego Medical Center, Palomar-Pomeroado Hospital, Sharp Metropolitan Medical Center, Scripps Mercy Hospital, Scripps Memorial Hospital, Scripps Coastal Group, Naval Medical Center of San Diego, El Centro Regional Medical Center, Sharp Chula Vista Medical Center</p>
<b>Projected outcomes:</b>	
Total number of participants served:	INA
Total number of participants beginning education/training activities:	200
Total number of participants completing education/training activities:	90%
Total number of participants who complete education/training activities and receive a degree/certificate:	99%
Total number of participants who complete education/training activities and are placed into unsubsidized employment:	INA
Total number of participants who complete education/training activities and are placed into training-related unsubsidized employment:	180

Total number of participants placed in unsubsidized employment who retain an employed status in the first and second quarters following initial placement:	95%
<b>Other Key Project Deliverables:</b>	NA
