DEPARTMENT OF LABOR
Employment and Training Administration
Office of Apprenticeship and the Women’s Bureau; Notice of Availability of Funds and Solicitation for Grant Applications for Women in Apprenticeship and Nontraditional Occupations (WANTO) Grants

Announcement Type: New.

 Solicitation for Grant Announcement (SGA).

 Funding Opportunity Number: SGA/ DFA–PY–07–08.

Catalog of Federal Domestic Assistance Number: 17.201

Key Dates: The closing date for receipt of applications is June 6, 2008.

SUMMARY: The Women’s Bureau (WB) and the Employment and Training Administration’s (ETA’s) Office of Apprenticeship (OA), U.S. Department of Labor (DOL or Department), announce the availability of $1,000,000 to establish a grant program for the purpose of assisting employers and labor unions in the placement and retention of women in apprenticeship and nontraditional occupations. This program year 2007 SGA is authorized under the WANTO Act of 1992, Pub. L. 102–530, 29 U.S.C. 2501 et seq. To that end, the OA and the WB plan to disburse 2007 WANTO grant funds to three community-based organization (CBO)/registered apprenticeship program (RAP) consortia to conduct innovative projects to improve the recruitment, selection, training, employment, and retention of women in apprenticeships in the construction industry. Each CBO/RAP consortium must consist of a minimum of: (1) A construction industry RAP sponsor; and (2) a CBO (which may be a faith-based organization) with demonstrated experience in providing job training services (soft skills and some hard skills), placement, and support services to women for construction industry jobs.

It is anticipated that awards will be in the amount of approximately $300,000.

SUPPLEMENTARY INFORMATION: This SGA consists of eight (8) sections:

• Section I provides the funding opportunity description.
• Section II describes the size and nature of the anticipated awards.
• Section III describes applicant eligibility criteria.
• Section IV outlines the application submission and withdrawal requirements.
• Section V describes the application review information.
• Section VI outlines additional award administration information.
• Section VII lists the Agency Contact.
• Section VIII provides other information, including acronyms and definitions.

I. Funding Opportunity Description

A. Background

The WANTO Act of 1992, Pub. L. 102–530, 29 U.S.C. 2501 et seq, authorizes DOL to disburse technical assistance grants to promote the recruitment, training, and retention of women in apprenticeship and nontraditional occupations. The WB and OA co-administer the WANTO program, and have the responsibility for implementing this grant process.

B. Purpose

The WANTO Act’s purpose is to provide technical assistance to employers and labor unions (E/LU) to encourage employment of women in apprenticeships and nontraditional occupations (A/NTO). One of the means of providing technical assistance is through competitive grants which focus on conducting innovative projects to improve the recruitment, selection, training, employment, and retention of women in apprenticeships in the construction industry. WANTO grants are awarded to CBOs, which may include faith-based, union-related nonprofit organizations, and among others, to provide technical assistance to RAP sponsors.

DOL has found that placement and retention of women in A/NTO pose significant challenges. For example, on average, only three percent of all newly registered and active apprentices in construction occupations are women. Approximately 75 percent of all registered apprenticeship programs are in the construction industry. Therefore, the Department is focusing this notice on registered apprenticeship opportunities for women in the construction industry. From 1994 to 2002, DOL funded WANTO grants annually to CBOs and FBOs that delivered technical assistance to employers and labor organizations to prepare them to successfully recruit, train, employ and retain women. The outcomes of these prior WANTO grants consisted largely of training and resource manuals, as well as recruitment videos. The numbers of women placed in registered apprenticeships through WANTO grant activities were lower than expected. Therefore, the PY 2007 WANTO grants are intended to help connect women with the significant employment opportunities available in registered apprenticeship programs in the construction industry. Additionally, to ensure women served by these PY 2007 WANTO grants have access to a full range of supportive services and training, as well as specific employment opportunities, this SGA requires applicants to demonstrate establishment of a consortium consisting of CBOs and RAP sponsors whereby the employers and RAP sponsors will be responsible partners for placing women into their programs. RAPS are any person, association, committee, or organization operating an apprenticeship program in whose name the program is registered or approved. For the purposes of this notice, all apprenticeable occupations in the construction industry meet the definition of nontraditional occupations (NTO).
In support of the DOL’s strategic goals of a prepared and competitive workforce, and ETA’s strategic focus on regional economic development, bonus points are being awarded to applicants that go beyond the minimum SGA requirements by demonstrating strong broad-based partnerships with multiple organizations advocating for women in nontraditional occupations seeking to meet regional talent development needs.

II. Award Information

A. Grant Awards

The OA and WB anticipate awarding two-year grants totaling approximately $300,000 each to no more than three CBO/RAP consortia, with each consortium consisting of at least one of each: (1) A construction industry RAP sponsor; and (2) a CBO (which may be faith-based) with demonstrated experience in providing job training services (work readiness as well as industry-specific training), placement, and support services to women for construction industry jobs.

B. Period of Performance

The period of performance will be up to 24 months from the date of execution of the grant documents. DOL ETA may approve a request for a no cost extension to grantees for an additional period of time based on the success of the project and other relevant factors.

III. Eligibility Information

A. Eligible Applicants

Under this announcement only CBO/RAP consortia, as defined in section VIII.F of this SGA, may apply for and receive a grant award. Current WANTO grantees are not eligible to receive a grant award. Current WANTO grantees are not eligible to receive a grant award. Current WANTO applicants will be excluded from the funding opportunities required to have a Dun and Bradstreet (DUNS) number. Applicants must supply their DUNS number in item 8 of SF–424. The DUNS number is easy to obtain and there is no charge. To obtain a DUNS number, access http://www.dnb.com or call 1–866–705–5711.

Budget Information for SF–424A. Standard Form 424A must contain a detailed cost breakout on each of the expenditures under Section B. The grant should be accompanied by a detailed narrative. As noted in Section ILA, the budget should be prepared for the entire grant period.

Resumes of all key staff (e.g., Executive Director, Project Director, etc.) must include a description of each individual’s roles and responsibilities, his/her current employment status and previous work experience, including position title, duties, dates in position, employing organizations and educational background. Staffing plans must identify all key tasks, the personnel and days required to complete each task and the percentage of time allocated to the program by individuals assigned to the task, including subcontractors and consultants.
(f) A list of the activities to be performed by each participating organization.

(g) The consortium of organizations must include a copy of the consortium agreement and must identify the consortium member that will act as the administrative entity for the project as well as the project lead. No member of a consortium shall make a separate application under this grant program. In addition, the agreement must specify the consortium’s arrangements for handling the administrative and financial responsibilities for the program.

C. Submission Dates, Times and Addresses

Applications may be submitted in either method described below, and must be received no later than 4:45 p.m. Eastern Time on the closing date. The application will not be considered if an applicant fails to adhere to the submission instructions below.

Electronic Submissions. The Department requests that applicants apply online at http://www.grants.gov. The Department strongly recommends that applicants immediately initiate and complete the “Get Started” steps to register with grants.gov at http://www.grants.gov/GetStarted. Please note that these steps could take several days to complete, and this time should be factored into plans for electronic
application submission in order to avoid facing unexpected delays that could result in the rejection of an application. Documents should be saved as a .doc or .pdf file prior to electronic submission through grants.gov. It is highly recommended that online submissions be completed at least three (3) working days prior to the date specified for receipt of applications to ensure that the applicant still has the option to submit by overnight delivery service in the event of any electronic submission problems. Applicants take a significant risk by waiting to the last day to submit by grants.gov.

U.S. Postal Mail and Overnight Submissions. Submit one (1) blue-ink signed, typewritten original of the application, and two (2) signed photocopies in one package to: U.S. Department of Labor, Employment and Training Administration, Attention: James Stockton, Mail Stop: N–4716, 200 Constitution Avenue, NW., Washington, DC 20210

Note: Applications submitted by e-mail, telegram, or facsimile will not be accepted.

Late Applications. Any application received after the closing date will not be considered, unless it is received before awards are made and it was: (a) Sent by U.S. Postal Service registered or certified mail no later than the fifth calendar day before the closing date (e.g., an application required by the 20th of the month must be postmarked by the 15th of that month); or (b) Sent by U.S. Postal Service Express Mail/Next Day Service from the post office to the addressee no later than 4:45 pm at the place of mailing, two (2) working days (excluding weekends and Federal holidays and days when the Federal government is closed), prior to the closing date; or (c) It is determined by the government that the late receipt was due solely to the mishandling by the Federal government after receipt at DOL at the address indicated.

Acceptable Evidence for Late Applications. The only acceptable evidence to establish the date of mailing of a late application sent by registered or certified mail is the U.S. Postal Service postmark on the envelope or wrapper and on the original receipt from the U.S. Postal Service. If the postmark is not legible, an application received after the closing date and time shall be considered to have been mailed late.

The only acceptable evidence to establish the date of mailing of a late application sent by U.S. Postal Service Express Mail/Next Day Service from the post office to the addressee is the date entered by the Post Office receiving clerk on the “Express Mail/Next Day Service—Post Office to Addressee” label, and the postmark on the envelope or wrapper and on the original receipt from the U.S. Postal Service.

“Postmarked” means a printed, stamped, or otherwise placed impression that is readily identifiable, without further action, as having been supplied or affixed on the date of mailing by an employee of the U.S. Postal Service. Therefore, applicants should request the postal clerk to place a legible hand cancellation, “bull’s eye,” postmark on both the receipt and the envelope or wrapper.

Mail Advisory in the DC Area. All applicants are advised that U.S. mail delivery in the Washington, DC area is erratic. Packages addressed to DOL are subject to radiation screening before delivery. All applicants must take this into consideration when preparing to meet the application closing date, as each applicant assumes the risk for ensuring a timely submission of its application. The Department recommends that applicants confirm receipt of their applications by contacting James Stockton, U.S. Department of Labor, Employment and Training Administration, Office of Grants and Contract Management, telephone (202) 693–3335 before the closing date. This is not a toll-free number.

Applications may be withdrawn by written notice or telegram (including mailgram) at any time before the Department makes an award. An applicant must withdraw its submission in person by the applicant or through an authorized representative of the applicant if: (1) The applicant makes the representative’s identity known to the Grant Officer; and (2) The representative signs a receipt when he or she receives the withdrawn application.

D. Funding Restrictions

Administrative Costs. The primary use of grant funds should be to support the actual project. Therefore, applicants receiving grant funds under this solicitation may not use more than 10 percent of the amount requested for administrative costs associated with the project. Administrative costs are defined at 20 CFR 667.220.

Indirect Cost Rate. An indirect cost rate (ICR) is required when an organization operates under more than one grant or other activity whether Federally-assisted or not. Organizations must use the ICR supplied by the cognizant Federal agency. If an organization receives an ICR or has a pending ICR, the Grant Officer will award a temporary billing rate for 90 days until a provisional rate can be issued. This rate is based on the fact that an organization has not established an ICR agreement. Within this 90 day period, the organization must submit an acceptable indirect cost proposal to their Federal cognizant agency to obtain a provisional ICR.

Allowable Costs. The Department determines what constitutes allowable costs in accordance with the following Federal cost principles, as applicable: (1) State and Local Government—OMB Circular A–87; (2) Educational Institutions—OMB Circular A–21; (3) Nonprofit Organizations—OMB Circular A–122; and (4) Profit-making Commercial Firms—48 CFR Part 31.

Legal rules pertaining to inherently religious activities by organizations that receive Federal financial assistance. The government is generally prohibited from providing direct Federal financial assistance for inherently religious activities. See 29 CFR Part 2, Subpart D. Grants under this solicitation may not be used for religious instruction, worship, prayer, proselytizing, or other inherently religious activities. Neutral, non-religious criteria that neither favor nor disfavor religion will be employed in the selection of grant recipients and must be employed by grantees in the selection of sub-recipients.

V. Application Review Information

A. Evaluation Criteria

All applicants are required to use the rating criteria format when developing their proposals. The technical panel will review grant applications against the criteria listed below. Up to 135 points may be awarded to an application. This total is based on up to 100 points for the required information described in A.1, 2, and 3 below, and up to 35 bonus points for special program emphasis described in A.4 below. In order to receive full credit, applicants must provide quality information that does more than reiterate the requirement statement or merely state how it will be accomplished. Therefore, responses must be thoughtful and reflect a strategic vision for how these requirements will be achieved. In addition, an applicant that describes only what has been accomplished in the past but lacks full description of what it will do during the grant period will not receive credit for the response.

Points Summary:
(1) Organizational Overview—up to 20 points
(2) Placement of Women in Registered Apprenticeship Programs—up to 30 points
in which the RAP(s) plan to train and employ women.
(b) The number of apprentices registered by the RAP(s) per year for the last five years.
(d) A description of how the applicant will assure that there are or will be suitable and appropriate positions available in the construction industry RAP(s).
3. Scope of WANTO Project and Projected Outcomes (up to 50 points)
   The applicant must demonstrate comprehensive, targeted, and effective technical assistance to be provided to the RAP(s) with WANTO funding.
   The OA and WB consider the successful placement of 100 women in construction industry apprenticeships the primary successful outcome a grantee can achieve with WANTO funding.
   To be considered fully responsive, the applicant must:
   (a) Discuss in detail the types of technical assistance (TA) that will be provided to RAP(s). Examples of such TA include: (1) Outreach strategies and orientation sessions to recruit women into the RAP(s) occupations and specific openings in RAP(s); (2) pre-apprentice occupational skills training to prepare women for apprenticeship, including English as a Second Language instruction; (3) ongoing orientations for the RAP(s) and workers on creating a successful environment for women in apprenticeship; (4) support groups and facilitating networks for women in apprenticeship, on or off the job site, to improve their retention; (5) liaison services between tradeswomen and the RAP(s) to address workplace issues related to gender; and (6) conducting exit interviews with tradeswomen to evaluate their on-the-job experience and to assess the effectiveness of the program.
   (b) Document any leveraged resources or funding anticipated for the accomplishment of the proposed project and a description of how the funds will be used.
   (c) Describe the outcomes the applicant anticipates as a result of WANTO funding. This must include the number of women to be placed in: (1) Pre-apprenticeships; and (2) apprenticeships.
4. Bonus Points (up to 35 points)
   Bonus points will be awarded for proposals that demonstrate experience or indicate their plans to provide one or more of the following:
   (a) Incorporation of more than one RAP in the consortium. (10 points).
   (b) Incorporation of more than one construction industry discipline in the RAP partners and incorporation of a governing board that includes apprenticeship coordinators and/or labor organizations. (5 points).
   (c) Inclusion of multiple geographical areas into the consortium. (10 points).
   (d) Incorporation of Technology-Based Learning to support and facilitate the project participants’ training and preparation for apprenticeship. (10 points).
B. Review and Selection Process
Selection Process. The Grant Officer will convene an evaluation panels to review and evaluate the applications using the point scoring system and Rating Criteria format specified in Section A above. The Grant Officer will rank applications based on the score assigned by the panels through the evaluation process. The ranking will be the primary basis used to identify applicants as potential grantees; however, the review panel’s recommendations are advisory in nature and not binding on the Grant Officer.
   The government will consider applications rated by the evaluation panels with a score of 80 or above to be eligible for a grant award. Applicants that score less than 80 will not be eligible for a grant award.
   Other Evaluation Factors. Final awards will be made based on the best interests of the Federal government, including, but not limited to, such factors as technical quality, geographic balance, occupational and/or industrial impact, availability of funds and uniqueness of project. The Federal government reserves the right to ask for clarification or hold discussions, but may elect to award a grant without such discussion. Should a grant be awarded without discussions, the award will be based on the applicant’s signature on the SF 424, which constitutes a binding offer by the applicant. The Grant Officer’s determination of award under this SGA is the final agency action.
VI. Additional Award Administration Information
A. Award Notices
   All award notifications will be posted on the ETA Homepage (http://www.doleta.gov). The Grant Officer expects to announce the results of this competition approximately 60 days after the closing date for receipt of applications.
B. Administrative and National Policy Requirements
   1. Administrative Program Requirements
   All grantees, including FBOs, will be subject to all applicable Federal laws

The grants awarded under this SGA will be subject to administrative standards and provisions as applicable, including, but not limited to, the following:
- Non-Profit Organizations—OMB Circulars A–122 (Cost Principles) and 29 CFR Part 95 (Administrative Requirements).
- Educational Institutions—OMB Circulars A–21 (Cost Principles) and 29 CFR Part 95 (Administrative Requirements).
- All entities must comply with 29 CFR Parts 37, 93, and 98, and where applicable 29 CFR Parts 96 and 99.

Except as specifically provided, DOL ETA acceptance of a proposal and an award of Federal funds to sponsor any program(s) does not provide a waiver of any grant requirements and/or procedures. For example, the OMB Grants Management circulars require, and an entity’s procurement procedures must require, that all procurement transactions will be conducted, as practical, to provide full and open competition. If a proposal identifies a specific entity to provide the services, the DOL ETA award does not provide the justification or basis to sole-source the procurement, i.e., avoid competition.

C. Reporting

The grantee is required to provide the reports and documentation listed below.
- Quarterly Financial Reports. A Quarterly Financial Status Report (ETA 9130) is required until such time as all funds have been expended or the grant period has expired. Quarterly reports are due 45 days after the end of each calendar year quarter. Grantees must use DOL ETA’s On-Line Electronic Reporting System.
- Quarterly Progress Reports. The grantee must submit a quarterly progress report to the designated Federal Project Officer within 45 days after the end of each calendar year quarter. Two copies are to be submitted providing a detailed account of activities undertaken during that quarter. DOL ETA may require additional data elements to be collected and reported on either a regular basis or special request basis. Grantees must agree to meet DOL ETA reporting requirements. The quarterly progress report should be in narrative form and should include:
  (a) A comparison of actual accomplishments with the goals and objectives established for the period. This must include discussion of placements in pre-apprenticeship programs, apprenticeships and nontraditional jobs, giving the name and address of each workplace and company involved; and TA provided to RAP(s) as well as the nature of the TA provided.
  (b) Reasons why established goals were not met, if appropriate.
  (c) Any problems that may impede the performance of the grant and the proposed corrective action.
  (d) Any changes in the proposed work to be performed during the next reporting period.

In addition, between scheduled reporting dates, the grantee(s) must immediately inform the OA and WB of significant developments affecting the ability to accomplish the work.

Final Report. No later than 90 days after expiration of the grant award, the grantee must submit two copies of the camera-ready final report, each bound in a professional manner in a loose-leaf notebook. These materials must be paid for with grant funds. Instructions for the final report will be issued and may include performance data, outcome results, an assessment of the grant project, any employer or labor organization plans for follow-up of participants, and Executive Summary of no more than three (3) pages. Upon request of either the OA or WB, the grantee must submit a draft final report no more than 60 days after the expiration date of the grant. The OA and the WB will then review the draft report, and provide written comments to the grantee within 15 days of receipt.

A. Questions About the Program or SGA

Questions and responses submitted to the Grant Officer regarding this SGA will be posted on the Employment and Training Administration Web site at http://www.doleta.gov/sga. Questions will be received for one month after publication only. DOL ETA will not respond to duplicate questions or questions that are not within the scope of this SGA. Please do not direct questions to the OA or WB.

B. Post Grant Award Conference

No later than eight (8) weeks after an award, the grantees must meet with the OA and the WB at the Post-Award Conference to discuss the project, related components and TA; timelines; TA outcomes; assessment comments and final approval. The grantees, the OA and WB will discuss and make decisions on the following program activities:
  (1) The proposed TA commitments for registered apprenticeship, and related skilled nontraditional occupation activities and responsibilities; the number of targeted RAP(s); and the number of women who will be placed in a registered apprenticeship program.
  (2) The methodology the proposed partnership will use to support/change management and employee attitudes to promote female workers in A/NTO.
  (3) The types of systemic change anticipated by the TA strategies that will be incorporated into ongoing employer recruitment, hiring, training, and promotion of women in A/NTO.
  (4) The occupational, industrial, and geographical impact anticipated.
  (5) The supportive services to be provided to employers and women after successful placement into A/NTO.

The OA and WB will provide further input orally or in writing, if necessary, within ten (10) working days after the Post-Award Conference.

C. Grant Plan of Action

If revisions have been necessary, no later than ten (10) weeks after an award, the grantees and the OA and the WB will confirm the “plan of action” and detailed time-line for program implementation.

D. Grant Implementation

No later than twelve (12) weeks after an award, the grantee(s) must have begun to recruit, select, train, place, retain, and otherwise prepare women for registered apprenticeships in the construction industry, with progress to be measured in terms of placement and retention in registered apprenticeships.
E. Veterans Priority

The Jobs for Veterans Act (Pub. L. 107–288) provides priority of service to veterans and spouses of certain veterans for the receipt of employment, training, and placement services in any job training program directly funded, in whole or in part, by DOL. In circumstances where the WANTO grant recipient must choose between two qualified candidates for training, one of whom is a veteran, the Jobs for Veterans Act requires that WANTO grant recipients give the veteran priority of service by admitting her into the program. Please note that to obtain priority of service a veteran must meet the program’s eligibility requirement.

ETA Training and Employment Guidance Letter (TEGL) No. 5–03 (September 16, 2003) provides guidance on the effect of the Jobs for Veterans Act and its effect on current employment and training programs. TEGL No. 5–03, along with additional guidance, is available at the “Jobs for Veterans Priority of Service” Web site (http://www.dol.gov/oa/programs/vets).

F. OMB Information Collection No. 1205–0458
