D. Career Transition Services

Post-Center Career Transition Services: (is is not applicable to this contract):

The contractor shall provide or arrange for post-center career transition services for all eligible students:

- enrolled at the Turner Job Corps center.
 returning to the following geographic area: as noted in section J attachment-21
 relocating to the following geographic area: as noted in section J attachment-21

For purposes of this procurement the contractor should anticipate an annual inflow of new students for provision of career transition services in the numbers shown below. These are the anticipated numbers of new graduates and new former enrollees who will be assigned to the contractor each year.

275 Graduates
165 Former enrollees

The contractor's performance shall be measured against the goals established by the Director of Job Corps each year in the Career Transition Service Outcome Measurement System.

The contractor shall assist eligible students in entering and maintaining long-term attachment to the labor market or further educational opportunities and training by:
 Providing personalized career transition services
 Providing them with access to services that support successful transition.
 Identifying and making referral to suitable employment or educational opportunities.

The final objectives of this effort shall be quality placement, continued attachment to the workforce and career progression.

At a minimum, the program shall consist of:

- 1. Career Transition Plan:** The contractor shall develop a comprehensive Career Transition Plan that will ensure efficient and effective delivery of career transition services to eligible graduates and former enrollees. Specific requirements for the plan are outlined in PRH, 4.1.
- 2. Eligibility for Services:** The contractor shall provide post-center career transition services to eligible graduates and former enrollees. Service shall be provided throughout the CTS service period prescribed by the PRH 4.2.

If consideration and analysis of the above factors indicate a new contract is most advantageous to the Government, the option shall not be exercised. If the analysis of the above factors results in a favorable determination that is advantageous to the Government, the option may be exercised.

A. Request for Change In Option Price

If, after exercise of the option, the contractor has reason to believe the total cost to the Government shall exceed the estimated cost as stated in the option, the contractor shall notify the Contracting Officer in accordance with FAR Clause 52.232-22, Limitation of Funds. If the Contracting Officer determines that an increase in the option year price is required, and is not caused by a change in the scope of work, such price increase, if made, shall not include an increase in fee. If the price increase requested is a result of a scope of work change, an equitable fee adjustment shall be considered.

G.6 LIQUIDATED DAMAGES FOR FAILURE TO COMPLY WITH REGULATIONS FOR SEPARATING STUDENTS

The contractor agrees to comply with the current requirements for separating students from the program. The contractor agrees further that the refundable cost to the Government for each day a student is retained (counted in the reported on-board strength) in violation of Job Corps requirements, is determined by dividing the "annual student cost" ("cost per student year"), as stated in the contract, by 365. If the annual student cost is not stated for any given year, it shall be computed by dividing the total contract amount for the year by the total planned average on-board strength.

G.7 LIQUIDATED DAMAGES FOR PLACEMENTS FOUND TO BE INVALID

The contractor shall be held financially responsible for the costs associated with placements found to be invalid, and shall be required to reimburse the government in the amount of **\$ 750** per invalid placement. *Offerors should provide an explanation of these costs were developed in the Business Management Proposal.*
