**Maintain Consistency & Quality in
a Geographically Dispersed
Program**

M.O.S.T.[®]
Mobile Outreach Skills Training

Growth Based Solutions for Manufacturers

Confidential and Proprietary Information

M.O.S.T.[®] Program

The Mobile Outreach Skills Training program ([M.O.S.T.[®]](#)) is a fast-track, intensive skills training, recruitment, assessment, and placement program which prepares unemployed and underemployed individuals for entry level production jobs in a fraction of the time of traditional programs.

Why M.O.S.T.®?

Myths

- There are no manufacturing jobs
- All manufacturing jobs are going overseas
- Manufacturing is noisy, dirty, dangerous and boring
- There are no career paths
- Shortages only engineers and scientists

Why M.O.S.T.®?

Reality

- Manufacturing is leading the economic recovery
- The average annual manufacturing wage in Florida is \$43,410
- Manufacturing is driven by automated production equipment
- Skilled workers operate computerized equipment
- The work is creative
- 45% of all jobs in the US will be middle skill jobs

What is M.O.S.T.®?

M.O.S.T.® basic manufacturing skills training prepares individuals for a wide-range of entry-level jobs including:

- Machine Operation
- Assembly
- Quality Inspection
- And more ...

The two-week fast-track intensive training covers:

- Shop Math
- Blueprint Reading
- Metrology
- Lean to Green Manufacturing
- Hands-on (CNC operation)
- And more ...

How Does M.O.S.T.® Work?

<p>Recruitment & Outreach</p>	<p>Job openings and hiring commitments are secured up-front; qualified referrals are screened for minimum program requirements</p>
<p>Phase I</p>	<p>Select group of trainees enter a two-week intensive training on MTU (students receive a “Lean to Green Certification”; upon training completion employers interview & hire graduates)</p>
<p>Phase II</p>	<p>8-week customized OJT (ongoing training for specific jobs)</p>
<p>Phase III</p>	<p>4-month mentorship and retention program culminates in the development of a career blueprint</p>

M.O.S.T.®

**State-of-the-art
Mobile Training Units (MTUs)**

What Has M.O.S.T.® Achieved?

- Piloted in New England
- Operated in 8 states
- Served over 750 individuals
- 99% completion
- 93% placement
- 87% retention

Challenges

Maintain:

- Consistency
- Quality
- Viability

Solutions

Consistency:

- Standard work instructions
 - Step by step guides
 - Standard forms & documents
 - Version control
 - Operations manual

Solutions

Quality:

- Standards
 - Measures
 - Reporting

- Problem resolution

Solutions

Economic viability:

- Shared resources
 - Curriculum
 - Instructors
 - Vehicles
 - Administration

- Knowledge sharing
 - Portal
 - Lessons learned sessions
