

A decorative graphic in the top-left corner of the page. It consists of a yellow vertical rectangle on the left, and a red shape on the right that is a triangle pointing to the right, with its top edge slanted downwards from left to right. The yellow rectangle and the red shape meet at a diagonal line.

Facilitator's Guide

A decorative graphic in the top-left corner of the slide. It consists of a yellow vertical rectangle on the left, and a red triangle on the right that points towards the top-right corner. The two shapes meet at a diagonal line.

Presentation Slides and Notes

A decorative graphic in the top-left corner of the slide. It consists of a yellow vertical bar on the left, a red triangle pointing to the right at the top, and a yellow trapezoidal shape below the triangle. The red triangle's hypotenuse is the top boundary of the yellow trapezoid.

Handouts

A decorative graphic in the top-left corner of the page. It consists of a yellow vertical bar on the left, a red triangular shape pointing to the right, and a yellow trapezoidal shape on the left that meets the red triangle at its top-right vertex.

Activity Sheets

A decorative graphic in the top-left corner of the page. It consists of a yellow vertical rectangle on the left and a red triangle on the right that points to the right. The two shapes meet at a diagonal line.
