In partnership with your Career Services Center

One connection...

Staying competitive is not an option for your business. It is an absolute necessity. Your Business Center is your one connection for services designed to help your business stay competitive and help your company succeed.

- Your Business Center offers a full range of services, from business seminars and workshops to Kern County's Business Calendar of Events.

We specialize in Business Management Assistance, Recruitment and Hiring, Workforce Development, Financial Incentives, and much more...all designed to help you improve your bottom line.

One place...

Just like your customers, you value convenience. Your Business Center understands how convenience will save your company valuable time and money.

- Our well-established, local agencies can provide business expertise to you. We have joined together with one mission in mind to help you take the guesswork out of managing and operating your business. And better yet, many of the services are provided at no cost or for a nominal fee.

**Ready to Improve
Your Bottom Line**

One conclusion...

You value information, time, and cost savings. Find them all, in one location, from a team of business professionals.

- The Business Center provides access to many services, all at one location, accessible through one phone number.

- **Management Assistance**
- **Recruitment and Hiring**
- **Financial Incentives**
- **Workforce Development**
- **And much more!**
