PURPOSE: To inform the OA and the State Apprenticeship Agencies (SAA) staff, Registered Apprenticeship program sponsors and other Registered Apprenticeship partners of the approval of new National Standards of Apprenticeship for the Department of Health & Human Services, Centers for Disease Control and Prevention (CDC).

BACKGROUND: These new National Standards of Apprenticeship submitted by David Callahan, MD, Director, Division of Applied Sciences, Scientific Education and Professional Development Program Office, Office of Surveillance, Epidemiology and Laboratory Services of the Department of Health & Human Services, CDC, were approved by the OA Administrator on March 6, 2012. These new National Standards of Apprenticeship for the Department of Health & Human Services, CDC for the occupation of Public Health Informatician will be serviced by the OA National Office.

If you have any questions, please contact Stephen Sage, Apprenticeship and Training Representative, Division of Standards and National Industry Promotion (DSNIP) at (202) 693-3221.

ACTION: This bulletin is being provided to OA staff for informational purposes only. The OA National Office will be responsible for the maintenance and technical assistance regarding this program.

NOTE: This bulletin is being sent via electronic mail.
