## E&T DATA DASH

### From YouthBuild to Higher Education

**\$73 Million** – the award amount for the PY 2014 YouthBuild grant program. This would fund 1,593 in-state undergraduate students' tuition and fees for four years at Virginia Tech.

**0.8131** – The correlation between the Google search “unemployment application” and weekly initial unemployment insurance claims data from 2005-2012. The top the 10 most correlated search terms in Google’s online database are below.

Correlation Coefficient	Google Search
0.8671	Michigan unemployment
0.8571	Idaho unemployment
0.8268	New Jersey unemployment
0.8251	Pennsylvania unemployment
0.813	unemployment application
0.8118	unemployment filing
0.8053	Rhode island unemployment
0.8043	Illinois unemployment
0.8043	mi unemployment
0.8038	filing unemployment

### TeamSheen Seeks Social Media Intern

Tell Charlie Why You're #WINNING:

**74,696** – the total number of people who were enrolled in training under VRAP. There were also more than 74,000 people who applied to be Charlie Sheen’s intern.

**990** – the number of new participants Pennsylvania enrolled in the TAA program for FY 2012. Also the number of miles from Washington, DC to Palm Beach, FL (for those who want to escape the DC winter weather)!

**66,000** – the number of Pell Grants awarded through the Workforce Investment Act in Program Year 2012. This would be enough to provide the educational grant to every graduating high school senior in Tennessee.
