Dear Ms. Grochowski:

Please find enclosed Michigan's completed Program Year 2014 Workforce Information Grant application package. It includes the Application for Federal Assistance Budget Plan (SF-424A), Statement of Work Certification, and the PY 2013 Annual Performance Report. The application package has been completed in accordance with the final Training and Employment Guidance Letter No. 23-13 dated April 28, 2014.

While we intend to fulfill the requirements of PY2014 state and local industry and occupational employment projections by June 2015, work on these particular deliverables may be impacted as a portion of PY2014 will be spent completing PY2013 employment projections.

These documents are submitted as a condition of receiving funds for the Workforce Information Program for Planning Year 2014. Please contact Jason S. Palmer at (517) 335-5267 if you have any questions.

Sincerely,
