Dear Mr. Miller:

Enclosed is the annual report for the Program Year 2013 Workforce Information Grant. The work performed using these funds focused on the requirements stressed in the Training Employment Guidance Letter 29-12. In this summary, you will see that Pennsylvania's use of new and traditional products provided our stakeholders with highly sought after relevant and locally targeted labor market information (LMI). This information was used to help Pennsylvania's LMI and workforce communities make well-informed regional labor market decisions.

We are available to discuss these accomplishments and deliverables in detail if needed. Please feel free to contact Sue Mukherjee, Director of the Center for Workforce Information & Analysis at (717) 787-3266 or via email at smukherjee@pa.gov.

Sincerely,

Ms. Michelle L. Staton
SWA Administrator
