### Reporting Period Reminder

Please note that the reporting period for Program Year 2018, Quarter 1 (PY18 Q1) will be ending **Friday, November 30th**. The original deadline to report was extended an additional two weeks for WIOA Title I, WIOA Title III, NDWG, H-1B, REO Adult, REO Youth, TAA, Job Corps, and NFJP in the beginning of the month to accommodate for the delayed release of WIPS 9.0. If you believe that you will require an additional extension in order to complete quarterly reporting, please be sure to work directly with your specific ETA WIOA program office for they are the only ones that can assist you with this request.

Additionally, Reporting for next quarter, PY18 Q2, will become available within the WIPS system at the beginning of the reporting period. Please note that this upcoming reporting period begins January 1st, 2019 and concludes February 14th, 2019. Please make sure to request accounts and password resets, if needed, as soon as possible to appropriately prepare for the PY18 Q2 reporting period.
