

<b>Grant Program:</b>	State LMI Improvement Grants
<b>Grantee Name:</b>	<b>Maryland Department of Labor, Licensing and Regulation</b>
<b>Grantee City/State:</b>	Baltimore, Maryland
<b>Grant Award Amount:</b>	\$4,000,000
<b>Initial Period of Performance:</b>	December 2009- May 2011
<b>Project Name:</b>	Mid-Atlantic Regional Collaborative (MARC) Green Consortium
<b>Project Description:</b>	The Mid-Atlantic Regional Collaborative (MARC) Green Consortium proposes to conduct a regional survey in the three state region (Maryland, District of Columbia, and Virginia) that will define the region's green economy by identifying types of green jobs, their requirements and other occupational characteristics at the state, regional, and local levels. This baseline measure along with an estimate of the impact of green technology and other green investments on job creation will be used to track occupational growth and contribute to the development of a regional green workforce development plan.
<b>Areas Served by Grant:</b>	Maryland, District of Columbia, and Virginia
<b>All Project partners:</b>	Maryland Department of Labor; Virginia Employment Commission; District of Columbia Department of Employment Services; District of Columbia's Workforce Investment Council; Maryland Governor's Workforce Investment Board; Virginia Workforce Council; Maryland Workforce Corporation; Trumbull Consulting & Associates; ICF International; Geographic Solutions; Regional research entities and institutions of higher education
