

<b>Grant Program:</b>	State Energy Sector Partnership
<b>Grantee Name:</b>	<b>State of California Employment Development Department</b>
<b>Grantee City/State:</b>	Sacramento, CA
<b>Grant Award Amount:</b>	\$6,000,000
<b>Initial Period of Performance:</b>	January 2010 – January 2013
<b>Project Name:</b>	California’s Green Workforce Initiative – Energy Sector Partnership
<b>Project Description:</b>	The State of California Employment Development Department designed its project to target five regions. In San Diego County, the Sacramento Metropolitan Region, and the Northern California Counties of Butte, Del Norte, Lassen, Madoc, Nevada, Plumas, Shasta, Sierra, Siskiyou, Tehama, and Trinity, training will target energy efficiency training, specifically green building and retrofits. In the Greater Los Angeles Area, training will focus on electrical utility technicians and green construction. Finally, in the East Bay Region with Alameda and Contra Costa Counties, the training will address energy efficiency, specifically whole building retrofits emphasizing deconstruction of non-green buildings and the construction of green buildings. Each of the regional teams through its membership will offer training courses to persons in the targeted populations in such areas as basic construction principles, principles of environmental literacy, energy fundamentals, installation of solar hot water heaters, and retrofits. Following training, participants will be placed in registered apprenticeship programs and jobs.
<b>Areas Served by Grant:</b>	San Diego, Sacramento, Los Angeles City, Northern California Counties, Alameda, East Bay, and Contra Costa County
<b>Auto-Impacted Counties Served:</b>	Alameda and Los Angeles
<b>Targeted Industries:</b>	Energy and Water Efficiency, Renewable Energy, Electricity Transmission and Distribution Infrastructure, and Clean Vehicle and Renewable Transportation Fuels
<b>Targeted Credentials:</b>	70% of training participants will attain an industry recognized certification or credential
<b>Targeted Occupations:</b>	INA
<b>Targeted Populations:</b>	Dislocated workers, veterans, unemployed and underemployed workers, low-income youth and adults, new workforce entrants, individuals with disabilities, and individuals with a criminal record
<b>All Project partners:</b>	California Workforce Association, State Building and Trade Council of California, Department of Community Services and Development, Business Transportation and Housing Agency, Provident Bank, California Energy Commission, Air Resource Board; Bank of America

	Foundation, Labor and Workforce Development Agency, Governor’s Office of Planning and Development, Department of Education, California Labor Federation/ American Federation of Labor and Congress of Industrial Organizations (AFL-CIO), California Public Utilities Commission, California Community Colleges, Chabin Concepts, Inc., California Manufacturers and Technology Association, San Diego Workforce Partnership, Sacramento Employment Training Agency, Northern Rural Training and Employment Consortium, Los Angeles City Workforce Investment Board, Alameda County Workforce Investment Board, San Joaquin Valley Workforce Collaborative, Butte College, Build It Green, California Building Performance Contractors Association, Green Plumbers USA, East Bay Community Colleges,
<b>Projected outcomes:</b>	
Total number of participants served:	1200
Total number of participants beginning education/training activities:	1200
Total number of participants completing education/training activities:	960
Total number of participants who complete education/training activities and receive a degree/certificate:	960
Total number of participants who complete education/training activities and are placed into unsubsidized employment:	960
Total number of participants who complete education/training activities and are placed into training-related unsubsidized employment:	900
Total number of participants placed in unsubsidized employment who retain an employed status in the first and second quarters following initial placement:	840
<b>Other Key Project Deliverables:</b>	While each of the five regions is addressing a particular sector, each jurisdiction will train 200 participants and achieve an average placement rate of 74% in non-subsidized, training related employment. In addition, 70% of training participants will attain an industry-recognized certification or credential.
