Solicitation for Grant Applications
[SGA/DFA PY 12-10]
Amendment Two**

**Trade Adjustment Assistance Community College and Career Training (TAACCCT)
Grants Program**

AGENCY: Employment and Training Administration, Department of Labor

ACTION: Amendment to SGA/DFA PY 12-10

SUMMARY: The Employment and Training Administration (ETA) announced on April 19, 2013 the availability of funds and Solicitation for Grant Applications (SGA) for Trade Adjustment Assistance Community College and Career Training grants to be awarded through a competitive process.

The SGA, in Section III.D.1, provides a list of deficiencies that will result in an application being found non-responsive. Among the items on this list is the failure to include an Indirect Cost Rate Agreement (ICRA). ETA recognizes that some applicants may have difficulty finalizing an ICRA with their cognizant Federal agency prior to application. Accordingly, this amendment to the SGA revises Section III.D.1 to remove the ICRA as a deficiency under the application screening criteria and also removes a duplicate entry for the Project/Performance Site Location(s) Form in the same section. The document is hereby amended for all applicants as follows:
