Training and Employment Guidance Letter No 29-12
July 1, 2012 -June 30, 2013**

Puerto Rico Annual Performance Report 2012- 2013

a- Workforce Information database (WIDb)

- The Puerto Rico LMI Webpage is been redesign and is in review stage. However data produced by the Puerto Rico Bureau of Labor Statistics is posted at the Department of Labor site under the “Estadísticas” tab at: dtrh@trabajo.pr.gov.
- The database core tables are updated.

b- State and local industry and occupational employment projections

Please see: dtrh@trabajo.pr.gov. “Estadísticas” TAB or ‘Projections’ in the enclosed pen drive.

c- Statewide annual economic analysis report

Please see: “Economic Analysis” in Enclosed Pen Drive under LMI Exhibit

d- Other economic and labor market reports and products (See in enclosed pen drive)

- LMI -WIA Local Area Publications
- Occupational Skills Survey

Please see: dtrh@trabajo.pr.gov. “Estadísticas” TAB

Other Economic Activities-

- Customer Satisfaction Survey – See Satisfaction Survey in enclosed pen drive
- As part of the functions of dissemination of labor market information, the PR Bureau of Labor Statistics has supported the cooperation agreement (Covenant) between the PRDOL and the University of the East of the Ana G. Méndez System University, which seeks to unite efforts to promote employment opportunities, develop activities of services to students, and develop participants in areas of employability, among others. This has been achieved through presentations, workshops to staff and articles for digital magazine of the Centre for Innovation, Employment and Entrepreneurship of that institution.
- Puerto Rico Statistics Institute – The PRDLHR maintains a cooperative agreement contract with the Puerto Rico Statistics Institute for technical assistance and development of special studies and research.

The LMI shop offered the following conferences during FY2012:
