Dear Mr. Miller:

Enclosed is the annual report for the Program Year 2015 Workforce Information Grant to States. The work performed using these funds focused on the requirements stressed in the Training Employment Guidance Letter 39-14. In this summary, you will see that Pennsylvania's use of new and traditional products provided our stakeholders with highly sought after relevant and locally targeted labor market information (LMI). This information was used to help Pennsylvania's LMI and workforce communities make well-informed regional labor market decisions.

We are available to discuss these accomplishments and deliverables in detail if needed. Please feel free to contact me at (717) 787-3266 or via email at keibailey@pa.gov.

Sincerely,

Keith A. Bailey
Director
