Dear Mr. Miller:

This letter will accompany Virginia's Program Year 2015 Workforce and Information Core Products and Services Annual Performance Report. The report highlights Virginia's Economic Information & Analytics divisions' achievements in meeting performance outcomes stated in the Training and Employment Guidance Letter (TEGL) Number 39-14.

We are delighted to report details regarding how funds were used to accomplish the delivery of eight high-priority activities and publications, as well as the many new and enhanced products. These activities, products, services, and major accomplishments that result from the Workforce Information Grant (WIG) funds, as well as other funds, can be found on our website (<http://www.VirginiaLMI.com>) and are described in this report.

If you have any questions regarding the content of the report, please contact Tim Kestner, Director of Economic Information & Analytics at (804) 786-7496.
