Analysis

- The Indian and Native American Youth Program served 3,575 youth during the current period.
- The calculation for the Educational Attainment for Dropouts measure changed on April 1, 2009, which caused the performance outcome for this measure to drop significantly compared to one year ago.
- Attainment of Two or More Goals decreased significantly from 100 percent in the previous year to 89 percent in the current year.

Program Description

The Indian and Native American Supplemental Youth Services Program provides summer and year-round employment and training activities for Indian, Alaska Native, and Native Hawaiian individuals between the ages of 14 and 21. Program resources are targeted to at-risk and the neediest youth who face substantial barriers to educational and employment success. This population includes high school dropouts and youth who are basic skills deficient.

Program Highlights

- 1,438 youth receiving services were public assistance recipients.
- 1,536 youth attained work readiness skills.
- 496 youth received occupational skills training.
- 2,061 participants completed a career assessment.
