Workforce Integrated Performance System (WIPS)

https://dol.appiancloud.com/suite/

WIPS Overview

WIOA helps people get jobs, degrees, training and support services. WIOA does have strict reporting guidelines. WIPS will produce the Quarterly Performance Reporting (QPR) to adhere to WIOA reporting requirements.

WIPS Functionality

These are the basic functions available in WIPS:

♦ Grantees can upload and certify their QPR data
♦ WIPS checks QPR data for errors and identifies any errors found
♦ WIPS generates QPR report using performance data uploaded
♦ Program users can search for and view QPRs
♦ Program users can request exports and download QPR data

Your New WIPS User Account

You should have an email from admin@dol.appiancloud.com with the subject “Appian account creation.” This email has your username, which is your email address, a temporary password and link to WIPS. When you log in the first time, you will have to change your password. Your new password must be at least eight (8) characters and have at least one (1) of each of the following:

♦ Uppercase letter  ♦ Special character
♦ Lowercase letter  ♦ Number

AFTER CHANGING YOUR PASSWORD, YOU MUST LOG OUT AND LOG IN AGAIN USING YOUR NEW PASSWORD.

Logging In

Before you get to the WIPS log in screen, you will first see the warning page regarding unauthorized use of a Government system. Click I Agree to continue. Then you will see the log in screen. Enter your username and password. Note that both are case sensitive. Click Sign In to continue.
Logging Out

To log out, click the avatar icon to the left of the DOL icon. This will display a pop-up to identify who is logged in and a button SIGN OUT. Click the SIGN OUT button.

The DOL icon is a shortcut to the HOME tab.

Resetting Your Password

Select the Reset Your Password link on the WIPS login screen. Then enter your email address in the Username field and select Request Password Reset. You will receive an email with a temporary password that you will have to change the next time you log in. Your new password must be at least eight (8) characters and have at least one (1) of each of the following:

- Uppercase letter
- Lowercase letter
- Special character
- Number

AFTER CHANGING YOUR PASSWORD, YOU MUST LOG OUT AND LOG IN AGAIN.

Multi-Application Portal

If you have an existing user account to DOL Office of Apprenticeship (OA) cloud applications, such as OA Quarterly Performance Report (QPR), Standards Builder or Registered Apprenticeship Partners Information Data System (RAPIDS), you will see the multi-application Portal. On the left side are your OA applications and on the right side is WIPS PU (Program User). Select WIPS PU.
