Section 3. Trade Effects on Separations

1. To the best of your knowledge, provide reasons why you believe that separations that have occurred or may be threatened at the workers' firm are due to foreign trade. (Example: Production has been / is being shifted to a foreign country, services are being outsourced to a foreign country, increased imports of articles or services, loss of business with a TAA-certified firm.)

• Current alliance with NEC Tokin in Japan, has created opportunities for KEMET to find synergies between the two organizations which initiated headcount reductions in Simpsonville for the technology and engineering groups. • In an effort to find ways to reduce overall cost within the organization the Business Groups are finding ways to find synergies within the entire organization globally.

2. If you possess any additional information or documents that you believe may assist in the determination of whether the worker group is eligible for TAA benefits, submit it as an attachment to the Petition Form. Check the box below if you have attached any additional information or supporting documents.

- I have not attached additional information or supporting documents.

3. Provide contact information for two company officials. Either separately or together, these officials should be familiar with all of the following: employment, job functions, and sales or production at each job locations.
