**Section 3. Trade Effects on Separations**

1. To the best of your knowledge, provide reasons why you believe that separations that have occurred or may be threatened at the workers' firm are due to foreign trade. (Example: Production has been / is being shifted to a foreign country, services are being outsourced to a foreign country, increased imports of articles or services, loss of business with a TAA-certified firm.)

SCE used a large % of foreign IT workers, at times over 50%. The use of foreign IT workers makes it much harder for American IT workers to find jobs in America, particularly those like the petitioners, who are all age 50+. It could also be a security issue. Infosys, an IT vendors at SCE for many years, has agreed to settle work-visa fraud allegations this year by paying \$34M (see the the MarketWatch link: <http://www.marketwatch.com/story/infosys-faces-record-us-immigration-fine-2013-10-29>).

2. If you possess any additional information or documents that you believe may assist in the determination of whether the worker group is eligible for TAA benefits, submit it as an attachment to the Petition Form. Check the box below if you have attached any additional information or supporting documents.
