HOPE NOW is a partnership between lenders and non-profit housing counselors. Our mission is simple: we reach out to and attempt to assist homeowners who may be having difficulty paying their mortgages.

NeighborWorks[®] America creates opportunities for people to live in affordable homes, improve their lives and strengthen their communities.

The Obama Administration's Making Home Affordable Program was created to help millions of homeowners refinance or modify their mortgage payments to a level that is affordable now as well as in the future.
