

September 12, 2007
9 a.m. - 3 p.m.

San Francisco Federal
Building Auditorium
90 Seventh Street
San Francisco, CA 94103

All Invited

Technology-Based Learning Forum

Learn how to:

- Advance learning and training opportunities for workforce development;
- Use technology to support learning; and
- Address barriers and develop solutions to encourage e-learning.

Speakers include experts from the Western Governor's University, the California Community College, and the Comanche Nation College.

Space is limited!
